

Andy Batson, AICP – Chief, Planning and Project Delivery, PennDOT Bureau of Public Transportation

Andy Batson serves as the chief of the planning and project delivery division within the PennDOT Bureau of Public Transportation. In this role, Andy is responsible for leading statewide transit planning and technology projects, as well as delivering an annual capital program of more than \$550 million. Andy previously served as the division chief for urban transportation, and prior to joining PennDOT, led a multimodal transportation planning group at a private consulting firm in Harrisburg, PA. He is a graduate of the University of Florida with a Bachelor's degree in Political Science and a Master's degree in Urban and Regional Planning.
