

Bryan Walter
Vice President and General Manager, Federal Solutions

As Vice President and General Manager of Federal Solutions, Bryan Walter is responsible for overseeing Gordian's offering to federal clients and executing a strategy to solve the significant challenges and complexities federal agencies face building and managing their facilities and infrastructure. Bryan joins Gordian with over 18 years of experience in management and technology consulting for the federal government. Prior to joining Gordian, Bryan worked as the Go-To-Market Leader for Accenture Federal Services' Cloud business. In this role, he drove go-to-market strategy and capability development for cloud solutions in Accenture's federal business. Bryan received his Bachelor of Computer Science and Mathematics from the College of William and Mary and his Master of Information Technology from Virginia Tech.
