After completing this course, you will be able to: describe government agencies' evolving plans for reopening offices, estimate remote work cost savings for agencies, implement tools for connecting teams in a remote work world and securing those connections.

To register for this session, enter your information here. If you have any questions about how to register, please contact Loren Beasley at Lbeasley@govexec.com. **If you would like to indicate interest in receiving CPE credit, please contact** Loren Beasley at Lbeasley@govexec.com. In order to receive full credit, you must attend for at least 50 minutes and respond to three engagement checkpoints per 50 minutes of programming.

Participants will earn up to 4 CPE credits in Information Technology. Participants will earn 1 CPE credit for each 50 minutes of participation, as long as they engage with three engagement checkpoints per 50 minutes.

Field of Study: Information Technology
