

**Biography**  
**Daniel Bieranowski**

Dan Bieranowski is a 10-year veteran of UKG, formerly known as Kronos. Dan began his career in Technical Support assisting UKG TeleStaff public safety customers with their automated scheduling systems. Today Dan serves as a Senior Workforce Solutions Consultant supporting over 1000 UKG TeleStaff™ customers in the US and Canada. Throughout his career with UKG, Dan has developed a strong understanding of the complex scheduling needs of police, fire and correctional organizations.
