

David DeWalt

Executive Chairman of the Board

Dave has served as Executive Chairman of the Board since June 2016. He had previously served as Chairman of the Board since May 2012 and Chief Executive Officer since November 2012. Prior to joining FireEye, Dave was President, Chief Executive Officer, and Director of McAfee, Inc. from April 2007 until February 2011, when McAfee was acquired by Intel Corporation. He served as President of McAfee, a wholly-owned subsidiary of Intel, from February 2011 to August 2011. From December 2003 to March 2007, Dave held various positions at EMC Corporation. Prior to EMC, Dave served as President and Chief Executive Officer of Documentum, Inc. from July 2001 to December 2003, and he held other senior executive positions at Documentum from August 1999 to July 2001. Dave currently serves on the board of directors of Delta Air Lines, Inc., Five9, and ForeScout. Previously, Dave served on the board of directors of Polycom, Inc. from November 2005 to May 2013 and as its Chairman of the Board from May 2010 to May 2013. He served on the board of directors of Jive Software, Inc. from February 2011 to April 2013. In May 2011, Dave was appointed by President Barack Obama to the National Security Telecommunications Advisory Council. A recognized expert on mergers and acquisitions, Dave is the author of “Making M&A Work.” He is a frequent guest on international business programs, appearing regularly on Bloomberg TV, CNBC, CNN and Fox Business. Dave holds a B.S. in computer science from the University of Delaware.
