

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL WILLIAM C. WAYNICK II

Colonel William C Waynick II is currently the Air Combat Command PROTAF lead for the Air Force's Enterprise Information Technology as a Service effort. He is directing the requirements gathering and developing the courses of action for how the Air Force will acquire and implement IT services provided by Industry partners. This initiative will enable the Air Force to re-purpose Airmen to core Cyber activities.

Col Waynick entered the Air Force after graduating from the University of Arizona in 1991 as a Distinguished Graduate from ROTC. Colonel Waynick's career has included a wide range of assignments from computer programming to tactical and airborne communications and SOF support. He has significant experience in combat throughout the Middle East and Africa.
