

LCDR Megan N. Silvester, Project Manager

Hosting and Compute Center, Defense Information Systems Agency

Lieutenant Commander Megan Silvester is the Product Manager for the Account Tracking and Automation Tool (ATAT) at the Hosting and Compute Center (HaCC) at the Defense Information Systems Agency (DISA). Prior to this role, LDCR Silvester worked for the Cloud Computing Program Office (CCPO) where she was part of the team who led the deployment of Commercial Virtual Remote (CVR) to the entire DOD during the COVID-19 pandemic; this was the largest ever instantiation of Microsoft Teams.

LCDR Silvester has served in the Navy for over 20 years. She has deployed to the 5th Fleet area of responsibility and Ramadi Iraq in support of Operation Iraqi Freedom and has earned her Officer of the Deck and Surface Warfare Qualifications. She attended the Naval Postgraduate School and has a Bachelor of Science from the University of South Florida. Her awards include the Defense Meritorious Service Medal, Joint Service Commendation Medal with oak leaf cluster, Joint Service Achievement Medal, Navy Service Achievement Medal with two gold stars.
