

Matt Portanova BIO

Matt Portanova, Vice President of Deployments, Mark43

Matt Portanova is the Vice President of Deployments at Mark43, where he leads a team dedicated to ensuring customers have all of the tools and support they need throughout their entire relationship with Mark43. On the project management and implementation side, Matt's team works closely with agencies to understand their needs and how agencies can get the most value from their Mark43 investment. On the customer success and support operations side, Matt's team works to be a customer advocate and satisfy any need a customer experiences after launch.

Matt previously worked as a congressional aide, and joined the U.S. Army after September 11, 2001. He's also worked as a consultant at Booz Allen Hamilton and deployment specialist at Dataminr. Matt has multiple degrees, including a Master's of Business Administration from the University of North Carolina.
