

***Quiessence Phillips***

Quiessence is a Cyber Security Professional with 12+ years of experience working within the financial industry. Most recently Quiessence joined the City of New York as Deputy CISO to assist in leading a new initiative called NYC Cyber Command. She is the co-founder of a non-profit EdTech, JOURNi, where they are building an authentically inclusive tech ecosystem in Detroit. In efforts to get more women into Cybersecurity, Quiessence started Securing Your Path - A community for women interested in forging their path in the industry. Quiessence is a mom, mentor, coder, hacker and strategist. For more information about her, visit <https://www.itsquiessence.com/>
