

*Defend Today, Secure Tomorrow*

## **Gabriel Davis**

### **Risk Operations Federal Lead/Cybersecurity Division**

Gabriel Davis serves as the Risk Operations Federal Lead within the Vulnerability Management subdivision in CISA's Cybersecurity Division. In this role, Gabriel leads a team to develop data-driven cyber risk products that provide proactive, actionable analysis on emerging cyber vulnerabilities and threats to drive CISA stakeholder risk reduction and improve cybersecurity posture.

Before CISA, Gabriel served in the United States Army as a Signal Officer.

Gabriel holds a B.S. Mathematics from the Savannah State University and multiple industry certifications in the fields of networking, security, and threat intelligence.
