

**Gerard Valerio**, *Solution Engineering Director, Public Sector, Tableau*

With over eight years at Tableau, Gerard Valerio currently leads a team of solution engineers evangelizing Tableau to the U.S. Federal Government and helping customers see and understand their data. Gerard teaches Tableau to aspiring data storytellers through a DC Meet-Up group and helps enable other groups and individuals on Tableau inside and outside of Salesforce. He has built a 20-year data career working for Accenture, PriceWaterhouseCoopers, MicroStrategy, Asurion, Public Company Accounting Oversight Board, Informatica, Vertica, and Tableau. Gerard holds an Electrical Engineering degree from the University of Illinois.
