

Jay Lambke

PRESIDENT

Jay Lambke, president, brings over 20 years' experience leading various organizations specializing in the IT needs of the Federal, State, Local, and Education markets. As President, Mr. Lambke is responsible for leveraging his experience and relationships to maneuver GAI through its ongoing operations, providing advisory and strategy support.

Prior to joining GAI, Mr. Lambke was president of Prism Pointe Technologies and GovConnection. At GovConnection, Mr. Lambke was responsible for turning around the company following the loss of their Federal GSA Schedule and negative earnings. Mr. Lambke has also held executive roles at Gateway, Inc., Ingram Micro, and Tech Data.
