

Jeffrey S. Thomas

AGO Director

Mr. Thomas is the Director, Acquisition and Grants for the National Oceanographic and Atmospheric Administration (NOAA). He has been serving in this position since 2017 and is responsible for leadership and oversight of NOAA's procurement and financial assistance program with annual obligations of roughly \$4.5B and a total portfolio of over \$20B. He also oversees NOAA's strategic sourcing program, including its Professional and Technical Services (PROTECH, and NOAA Mission Information Technology Services (NMITS). Over his 35 year career, Mr. Thomas has served in a variety of acquisition related positions, including Associate Director, Acquisition Policy, Oversight and Business Strategies and Acquisition Career Manager at the U.S. Department of Transportation, and a number of acquisition and contracting positions with the Federal Highway Administration.
