Director of Cyber Intelligence
Multi-State Information Sharing and Analysis Center (MS-ISAC)
Elections Infrastructure Information Sharing and Analysis Center (EI-ISAC)
Center for Internet Security (CIS)

Full Bio:
Stacey A. Wright is the Director of Cyber Intelligence at [CIS](#), where she runs the Intel Team for the [Multi-State Information Sharing and Analysis Center](#) (MS-ISAC) and [Elections Infrastructure ISAC](#) (EI-ISAC). She designed and built the Intel Team to focus on providing strategic, operational, and tactical cyber intelligence to state, local, tribal, and territorial (SLTT) governments. The team publishes more than 200 products per year providing timely, actionable SLTT government and elections-focused insight on cyber risks, actors, trends, tactics, vulnerabilities, and incident response. In addition to her work at CIS, Stacey teaches two graduate cybersecurity and threat intelligence classes at the [State University of New York](#). Prior to her employment at CIS, Stacey was the Cyber Intelligence Analyst for the Federal Bureau of Investigation (FBI) Albany Division, where she was responsible for coordinating the local cyber intelligence program and served as the FBI's liaison to the MS-ISAC. Stacey began her career as an Information Systems Specialist for the Cambridge, MA, Emergency Communications and Fire Departments. She received her Bachelor of Science in Criminal Justice from Northeastern University and her Master of Business Administration from the University of Massachusetts, Boston. She is a formally trained Intelligence Analyst and a national speaker on cybercrime.
