

## **Major Bryan Allebone/ Director of Innovation for the 55th Wing, Air Force**

Major Bryan Allebone is a 20 year Career Air Force Officer; currently serving as the Director of Innovation for the 55th Wing, Offutt Air Force Base, Nebraska. Primarily, Major Allebone is a Senior Evaluator Combat Systems Officer, but he also serves in an Solution Engineering and Architecture capacity. His customers include Air Education Training Command (AETC), Air Combat Command (ACC), and AF KESSEL RUN; where he is presently tasked with developing solutions to usher paper-processes to Mobile-First, Content-Focused, and Operational Mission-Enabling technologies.

Current Projects run the gamut from agile development of Next-Generation Operations Management / Scheduling Software to Native iOS Applications to modernize Checklists for Aviators.

Bryan and his family reside full-time in Omaha, Nebraska; home of the “Best-in-the-World” Henry Doorly Zoo, the NCAA College World Series, and The Oracle of Omaha - Warren Buffet.
