

MG (ret.) Joseph Brendler is a senior executive and thought leader with more than 30 years of experience managing large organizations specializing in delivery of information technology, networks, and cybersecurity solutions. Prior to starting his consulting business, MG Brendler was Chief of Staff for the United States Cyber Command (USCYBERCOM) and prior to that the Director of Strategic Planning, Policy, and Partnerships for USCYBERCOM. In those roles, he participated in the oversight of operations and the development of US military cyber doctrine and of DoD and national cyber policy. Prior to those assignments, he served as US Army Director of Architecture, Operations, Networks and Space under the Army CIO/G6. He was Chief of C5ISR, US Forces J6, and NATO Forces CJ6, for ISAF, in Kabul, Afghanistan. MG Brendler also served as the Chief of Staff for the Defense Information Systems Agency.
