

Nadine Cummings

Manager, Presales Solutions Architecture
Arrow Electronics, Inc. (NYSE: ARW)

A passionate advocate for technical innovation.

As the Pre-Sales Engineering manager for one of one Arrow's top storage vendors, Nadine continues to lead and enable teams of Solution Architects to become trusted advisors in the channel through education, sales planning, and team execution.

With a unique blend of technical and sales acumen, Nadine continues to promote and drive integrating technologies across various verticals supporting the NetApp channel in North America.
