

Evan is responsible for leading all aspects of the Information Technology organization, to include Infrastructure, Operations & Architecture, Business Solutions & Digital Experience, and Execution Excellence teams. Additionally, Evan is the sponsor for CPS Energy's Digital Transformation program, Evolve, which is aimed to improve how employees work and to provide customer facing solutions that provide tailored experiences.

As an innovative business and technology leader, Evan has over 15 years of experience driving change and growth in organizations such as Toshiba Corporation, where he served as Director, Solutions & Professional Services. Before joining CPS Energy in 2019, Evan was the Chief Technology Officer for Bexar County where he led their organization to implement strategic technology plans in support of all County offices, divisions and departments.

Evan has a Bachelor of Science in Business Administration from the University of the Incarnate Word.
