

Major Nathan Parker

Major Nathan Parker currently serves as a Data Scientist within the Data and Decision Sciences Directorate (DDSD) at Army Futures Command where he leads the Enterprise Analytics Platform Team.

Major Parker is currently responsible for leading technology and culture changes within the Army Modernization enterprise as the product owner for Army Futures Command's enterprise cloud environment and data science tool suite.

He was commissioned as an aviation officer in the United States Army and serves as an Operations Research Systems Analyst. His assignments include commanding Reconnaissance and Security Rotary Wing aviation formations in Afghanistan from 2009-2013 and leading research projects in advanced analytics and modeling at the Naval Postgraduate School.

He has a B.S. in Civil Engineering from the United States Military Academy at West Point, NY, and a M.S. in Operations Research from the Naval Postgraduate School in Monterey, CA.
