Is there parking nearby Nationals Stadium?

Complimentary parking in Garage C at Nationals Park is available for guests driving to the ballpark. The garage is located at the corner of N Street SE and First Street SE with the vehicle entrance on First Street SE. When entering the garage, drivers will need to let the parking attendant know that they are there for the event. Guests are encouraged to park near the elevator banks located on each level on the plaza side of the garage. Once parked, take the elevators or stairs down to "PL" (Plaza) which is street level. From there, guests will enter the ballpark through the small red tent with a white "curly W" where event security will be located for entry screening.

Are there any specific bag policies that attendees should be aware of when attending the SAP Federal Forum?

Nationals Park has implemented a clear bag policy for all guests entering the ballpark. Any bags larger than a clutch (5" by 7" x 3/4"), will no longer be permitted unless the bag is clear plastic, vinyl, or PVC. Guests with a diaper or medical bag will be admitted with additional screening measures upon entry. For additional details on our official bag policy, click [here](#).
