

**Angela Siefer****Executive Director, National Digital Inclusion Alliance**

Angela Siefer is the Executive Director of the National Digital Inclusion Alliance. Angela has been working in the field we now call digital inclusion since 1997. From physically setting up computer labs in underserved areas and managing local digital inclusion programs to consulting for the US. Department of Commerce and testifying before Congress, Angela develops national strategies and solutions from the ground up. In 2015, Angela helped found the [National Digital Inclusion Alliance](#), a unified voice for home broadband access, public broadband access, personal devices and local technology training and support programs. Government Technology Magazine named Angela one of their [Top 25 Doers, Dreams, and Drivers of 2019](#).
