

Ben Wenger, Director, Project and Portfolio Management at CA Technologies, has been working in the enterprise software sales industry for the past 15 years. During that time he has been involved in sales, pre-sales and the implementation of a wide range of enterprise software products. For the past six years he has been working with CA's ITBM and PPM portfolio of products. In his current role as Director of Sales at CA, he is responsible for ITBM/Clarity sales for all of Public Sector and Canada.
