Unit Chief (UC) Jeffrey L. Coburn started his career with the FBI in January 2003. After graduating from the FBI Academy as a Special Agent in Quantico, Virginia, he reported to Dayton, Ohio where he investigated violent crimes, cyber crimes, and investigated terrorism as a member of the Joint Terrorism Task Force. In 2006, UC Coburn was transferred to Sierra Vista, Arizona where he investigated violent crimes, human and drug smuggling, assaults on Border Patrol Agents, and cyber crimes. In 2009, UC Coburn was promoted to Supervisory Special Agent and reported to Washington, DC where he worked in the Cyber Division managing National Security Computer Intrusions. In 2010, SSA Coburn was assigned to Field Supervisor and reported to Salt Lake City, Utah where he supervised the Cyber Task Force which covered the states of Utah, Idaho and Montana. In 2014, UC Coburn was assigned to Unit Chief of the Cyber Major Crimes Unit where he provides guidance, leadership, and oversight of all criminal computer intrusions investigated by FBI field offices and Legal Attaché offices throughout the world.
