

Mr. Tom Kennedy was appointed General Manager of Veritas Public Sector in December of 2014. During a time of transition, Mr. Kennedy is responsible for strategy and execution across the Public Sector for the newly formed Information Management business. He manages all aspects of sales for Federal, State and Local Government, Education and National Health Care in North America. Mr. Kennedy is a proven leader with over 20 years of industry experience in Public Sector. Throughout his career, he has successfully built high performing teams, delivered innovative solutions to solve complex customer problems and brings extensive federal domain knowledge to support this community.

Prior to his current role, Mr. Kennedy has held leadership roles at Symantec, Clearwell and GTSI. In addition to his professional career, Mr. Kennedy is an active member of the ACT- IAC and is a graduate (2003) of the prestigious Partners program. Mr. Kennedy is also active in GEIA, AFCEA and AFFIRM, three organizations that bring government and industry IT leaders together.

Mr. Kennedy holds a Master's degree from George Mason University and a Bachelor's degree from the Pennsylvania State University. Additionally, he is a graduate of The Executive Program at the Darden Graduate School of Business Administration at the University of Virginia. He lives in Virginia with his wife and 2 sons.
