

Victor Troyan serves as the Assistant Division Chief of Cybersecurity Operations within the Office of Information Security at the U.S. Census Bureau. Cybersecurity Operations is comprised of two primary functions: Security Operations covering 24-by-7 Monitoring and Incident Management & Response capabilities, and Cyber Threat comprised of cyber threat intelligence, penetration testing, and hunt/forensics capabilities.

Prior to his position leading the Cyber Operations team, Victor was the SOC Lead and the Penetration testing lead at the Census Bureau. He has previous experience supporting cybersecurity and IT for the Department of Defense.

He retired from the U.S. Army Reserves as a Chief Warrant Officer. During his military career, he supported the Regional Computer Emergency Response Team – Southwest Asia (RCERT-SWA), the 1st IO Command and the 311th Theater Signal Command.
